Monthly Update for April 2018

Each month, this update will bring you an overview of what has been going on in each of Hope Mission's Ministries. We hope you enjoy this update. And if you have any suggestions, comments or questions, please send them to us using the contact form on any of our websites.

Hope Mission

The Ribbon Cutting for our Women's Homeless Shelter was a huge success. We had over 100 guests in attendance. It is so wonderful to know how much our community supports everything we are doing.

If you'd like to help Hope Mission this month we need large tea bags, sugar, #10 cans of fruit, potato chips, and paper towels. You can bring your donations to Hope Mission Monday thru Friday 8am to 1pm or call 252-240-2359 Ext. 2 for other arrangements.

For more information on Hope Mission visit our website www.HMCM.org or like us on Facebook at <https://www.facebook.com/HopeMissionofCarteretCounty/>

Hope Recovery Homes

Did you know Hope Recovery Homes has a success rate of 72%? We maintain a comprehensive program and require strict adherence to the rules. We proudly serve 25 counties in Eastern North Carolina.

For more information on our recovery program visit our website at www.HopeRecoveryHomes.org/
