19,505 Meals served
January to May

Mrs. Bernice “Bunny” Giblin is one of 44 clients currently serviced by Hope Mission’s Meals on Wheels (MOW). She was born on April 5th and is originally from Phillips, Wisconsin. Her parents were Yugoslavian/Russian immigrants. As a young girl, she spent 12 and a half years in a Catholic orphanage. Serving as a Communicator in the Air Force she met her first husband and dated him for 2 weeks before they married and celebrated 40 years together. Together they were stationed in Bethesda Maryland where she worked at the Pentagon. She also served as an Electricians assistant for the Blue Angels for 12 years! Mrs. Bunny moved to the area in 2007 and is the mother of 8 children, 15 grandchildren and 20 great grandchildren and recently celebrated her 91st birthday.

"We have a great success story for our Meals On Wheels program. We were notified of a dire need for a ramp for two of our clients. Thanks to the assistance of one of our drivers, we were able to coordinate the materials and labor force to get a brand new ramp built for them. This is what it's all about!

“Thank you Carteret County for your selflessness and love.
#manyhandsonheart"

How can you help? Pray for more individuals who can drive weekly or substitute. Make a financial investment to MOW. Give us the names of home bound seniors that need our services.
